Collective Health connects you to your health benefits. From choosing a plan to using your benefits all year long, we've got you every step of the way.

Here's why you'll love Collective Health:

Health benefits, made easy

Get a detailed breakdown of your coverage, including cost-sharing info (and a definition of "cost-sharing" too!).

Find your doctor

Search for in-network providers by name, specialty, and location through your account, including in the app.

Do it all from the app

Everything Collective Health offers (including benefits cards!) are on the app. Visit Google Play or the App store.
